THANKSGIVING/PRAISE PRAYER

Glossary of Prayer Terms

Intercession - 1. Praying for another person. 2. Praying as if you are the other person. 3. Repenting for another person. Often the most intense form of prayer.

Deliverance - To be set free from sin, addiction, habit, attitude or wrong belief. Also to be delivered from the influence of an evil spirit ie: anger, suicide, fear, depression, etc.

Break Thru - A sudden, dramatic, and important discovery or development. To be loosed to the next level spiritually or naturally.

Spiritual Warfare - The Christian concept of taking a stand against supernatural evil forces. An aggressive posture in prayer, rebuking the wrong and declaring the right.

Revival/Renewal - To return to a condition of spiritual focus, clarity and zeal. To be brought back to life spiritually, to be renewed.

Backsliders - Also known as falling away, a term used to describe an individual who reverts to pre-conversion habits and/or lapses or falls into sin. When a person turns from God to pursue their own desire.

Harvest - The process or season of gathering in new souls.

Bringing Culture - Tapestry's term for reaching out with evangelistic efforts to bring new souls in. These efforts range from big events to members inviting friends or family to services.

Signs and Wonders - Supernatural occurrences which convince people of Gods existence, love, etc. Signs and wonders also are meant to confirm the teaching of God's word as truth.

Baptism of the Holy Ghost - A supernatural experience involving speaking with tongues which empowers the Christian for greater works of service. The baptism intensifies prayer, releases gifts of the spirit and emboldens us to witness.

Gifts of the Spirit - Supernatural abilities that emanate from spirit filled believers. Different gifts operate in different people. Some of them are Word of Wisdom, Word of Knowledge, Healings, Interpretation of Tongues, Messages in tongues, Working of Miracles, Great Faith, Supernatural Giving, Prophecy, Discerning of Spirits, etc.
